- For all Emergency Service Professionals (EMT's, Firefighters and Police Officers)
- EMT's will receive 2 Elective CEU's

Delivered by members of the flight crew of Atlantic Air One, this course gives an in depth look into safe operations around the EC-135 Eurocopter used by Atlantic Air One. It also covers indications for air transport, fly-drive criteria, proper landing zone etiquette and more.

(Note: For large groups, we will attempt to bring the helicopter for a live demonstration – weather and helicopter availability permitting).
