Personal preparedness is at the heart of public safety and emergency response – before, during, and after a disaster. Advance planning and preparedness is especially important for People with Special Needs, which includes anyone who may find it difficult to self-evacuate because of a physical or cognitive limitation, language barrier, or lack of transportation - particularly if family, friends, or caregivers are unavailable to help them during a crisis.

- The NJ Special Needs Registry is...
- free
- voluntary
- strictly confidential
- protective of your privacy
- a way to protect you in a major emergency
